CA Regions Small Group Project:
Oral Presentation requirements

Students:

Here are the requirements for your oral presentation of your small group project. I will grade each of you Individually and each person must present.

We will start presentations on

- Skills (how you say it):
  (you may use note cards, but do not read all your information)
  - Look at the audience
  - Speak loudly enough for all the student to hear you
  - Speak clearly enough so you are easily understood and with expression (not a monotone voice)

- Content (what you say):
  - Name of your section
  - Share the information for that section
  - Share about what pictures your group used or drew for that section

HOW YOU WILL BE GRADED:

CA Regions Small Group Project: Oral Presentation RUBRIC
